FROM THE PRESIDENT - Alan Torrance

Having been involved with Airport West Football Club for over 30 years, I am delighted and honoured to be the new president for 2012. Our vision is to supply every player with the best coaching, facilities and environment; while providing our members, supporters and community with the best football and social culture possible.

Our latest recruits arrive with an abundance of AFL experience, and they will offer every player through every division of our club the opportunity to develop their football skills and knowledge. With our large passionate supporter base and Elite Junior Development Program we are well placed to grow our established club in to one of the best in the EDFL.

We look forward to your support.

ELITE JUNIOR DEVELOPMENT PROGRAM **BULLDOG DANIEL GIAN SIRACUSA TO COACH JUNIORS**

Western Bulldog Daniel Giansiracusa heads our Elite Junior Development Program, offering our Under 16's the perfect opportunity to learn and improve as young footballers. Gia's program kicked off in 2011 and he's guidance will continue in 2012 and even extend to our Under 18 team. We are honoured to have Daniel as an assistant coach at Airport West.

We are thrilled to offer further development to our young players in 2012 with the addition of a number of experienced specialist coaches that includes strength, conditioning, speed, agility and fitness training.

JOIN THE EAGLES IN 2012!

We are striving to develop the best junior program in the North West with mentors Daniel Giansiracusa, Adam Contessa, Daniel Harris and Simon Wiggins, led by our coaching director Mark Duncan. Our biggest strength is our inviting and socialising Club, creating a real community, focused on fun and enjoyment.
